

Taxpayers do have a choice!
Receive a Public School Tax Credit of up to \$400
for your contribution to a public school.

STEP UP SCHOOLS MESA
Public School Tax Credit Form

YOU can decide where some of your tax money goes. Arizona tax law (ARS 43-1089.01) allows taxpayers a tax credit if they contribute to extracurricular activities in a public school.

What is a tax credit? A tax credit is different from a tax deduction. It is a tax dollar decrease. A tax credit allows you to subtract the full amount of your contribution from the amount of your state tax liability, not just a percentage.

How are these donations used: tax credit donations are used to support our afterschool programs, summer program, field trips and enrichment programs.

Do I need to be an Arizona resident? Yes, you must file taxes in the state of Arizona.

How much can I donate? You can donate up to \$200 for single taxpayers and up to \$400 for married taxpayers filing jointly.

Please apply the donation of \$_____ to programs at *Step Up Schools Mesa*
